Internal Assessment calculation for Even Semester – 2020

Due to COVID-19 Pandemic lock down in the country, collection and processing of Skill Development Record is not possible. Therefore the Dept of Commerce is calculating Internal Assessment in the following manner.

Details	Max Marks=30
Mid sem, valued for 30, convertible to 15	Max Mid sem marks=15
Attendance	Max=5
Total	20
The marks scored out of 20 will be converted to 30. Note that there is no Skill Development Record marks.	

For Example: Let us take a case where a student scored 20/30 in mid term, then the marks structure will be:

Details	Marks
Mid sem	10(20 becomes 10)out of 15
Assuming full attendance	05 out of 5
Total	15 out of 20

The proportionate marks for 30 is:

For 20 marks--15

For 30--?, so the marks is 22.5

Note:

To all absentees in the Mid Semester Examination (Even Sem) – 2020 and those students, who have failed to get minimum 12, after the conversion in subjects, the list will be sent by the concerned subject teachers to the Students' Whatsapp group. They are required to answer Mid Semester Examination QP 2 times, scan it and forward it to the concerned subject teacher before 15th May, 2020 without fail .

NO FURTHER REMINDERS AND NO DELAYED ANSWERS CAN BE ENTERTAINED.
